

PRAYER TO ST. ANGELA

Dear St. Angela,
As we come together to work
For the Mission of Ursuline,
Assist us to be open
To your guidance and spirit.
Fill us once again with confidence
As we recall the words
Of your Last Counsel spoken
To your daughters long ago
And to us gathered today:

*“I assure you that every request
You make of God will most
Certainly be granted, and
I, myself, shall be in your midst
Furthering your prayers...
Be consoled and keep
Your faith and hope alive.”*
St. Angela, be with us and
Pray with us. Amen.
