Prayer to St. Angela

from *Angela's Story* by Mary-Cabrini Durkin, copyright 2005, used with permission

Angela, lover of Jesus, help me to know him more deeply.

May sacred Scripture open my heart and my life to God!

Angela, deep listener, teach me to hear and to follow
the Holy Spirit's guidance.

May your example show me how to follow God's call!

Angela, gentle friend, teach me to respect and welcome all people.

May I grow in your keen awareness of God present in all Creation!

Angela, creative leader, teach me to find paths of justice and
to build bridges between people.

May I learn your clear-eyed faithfulness to the Church
and contribute to its renewal!

Amen!
