

### **Prayer for the Wisdom of St. Angela**

Holy God, make us wise like Angela. Give us discerning hearts so our vision is clear and our judgment keen and balanced. May faith, hope and love permeate all our plans and actions. May we spread knowledge and optimism throughout our Ursuline school.

May we be united in one heart with teachers and administrators everywhere who share the vision and values of Angela. As servant leaders, help us to reverence and nurture the creativity and gifts of all the women and men who contribute to the work of Ursuline education at our school.

Loving God, present in all your creation, in you we live, move and have our being. Challenge us to face the future of Ursuline education with hope and courage. Help us to do our best to meet the needs of all to whom we minister. Guide us in decision-making that will lead to successful plans for our future. Help us to carry the legacy of St. Angela to all our students with care, commitment, and joy. Amen.
