

## St. Angela's Be-Attitudes

Leader: As we begin a new calendar year may we be open and sensitive to the needs of others and meet those needs with generosity and joy. For our New Year's resolutions, let us have the "Be-Attitudes" of St. Angela Merici

### **Be helpers and servants**

Response: You have more need to serve than to be served.

### **Be kind and tender**

Response: Comfort those who are weak-willed, timid, prone to discouragement.

### **Be prayerful**

Response: Let your first refuge be at the feet of Jesus Christ.

### **Be keen and observant**

Response: Getting to know others

### **Be an example and mirror**

Response: A life for others to follow

### **Be hospitable**

Response: Encourage others to remain steadfast, put new life in them.

### **Be humble**

Response: Place yourself under the protection of God.

### **Be impartial to all**

Response: Love all and know them each well, not just their names, but everything about them.

### **Be bound one to another**

Response: Treat each other with respect, helping one another, bearing with one another

### **Be consoled and keep your faith and hope alive.**

(Barbara Becnel, OSU)

All: St. Angela, you were inspired to lead others by defining and living your ideals. Teach me the gift of leadership that I might know and live by a value system that is more centered on God than on my own needs. Amen (Kenan Dulzer, OSU)
